Navigate the Minefields and Release the Potential of Women in Your Church
A Beginner's Guide to New Testament Studies
A Beginner's Guide to Crafting and Delivering Powerful, Excellent Sermons

NATHANIEL KENZIE

What is Reformed Theology? Crossway
 What would your church look like if it maximized the dormant gifts of the women God has brought there? Discover how to develop and leverage the leadership abilities of women within your congregation. Leadership and people development veteran Kadi Cole offers a practical strategy to help church and organizational leaders craft cultures that facilitate the development of women as volunteer and staff leaders. In *Developing Female Leaders*, Cole shares eight easy-to-implement “best practices” that help accelerate a woman’s organizational contribution, such as:
 Seek to understand Clearly define what you believe Mine the marketplace Integrate spiritual formation and leadership development Be an “other” Create an environment of safety Upgrade your people practices Take on your culture Combined with current research, thorough appendices and references add even more guidance for setting vision, milestones, and goals. Using interviews and surveys of more than one thousand women in key church and organizational roles, *Developing Female Leaders* is a one-of-a-kind resource for identifying what is missing today in your church to help it flourish in the future.

Biblical Preaching InterVarsity Press
 The *Knowing the Bible* series is a new resource designed to help Bible readers better understand and apply God’s Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlighting the gospel of

grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. In this study of John’s Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus’s life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father “in the beginning,” to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John’s unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

How to Eat Your Bible Zondervan
 This accessible and balanced introduction helps readers sort out key views on the most important debated issues in New Testament studies. Well-known New Testament scholar Nijay Gupta fairly presents the spectrum of viewpoints on thirteen topics and offers reflections on why scholars disagree on these matters. Written to be accessible to students and readers without advanced training in New Testament studies, this book will serve as an excellent supplementary text for New Testament introduction courses.

Lectures to My Students Multnomah
 The book of Ecclesiastes is, above all

else, unflinchingly honest. Whether wrestling with the tedium of work, the injustices of life, the ravages of age, or the inevitability of death, this enigmatic Old Testament book takes a hard look at the way the world really is. And yet, as Phil Ryken points out in this instructive commentary, Ecclesiastes wisely teaches people to trust God in the midst of such struggles. Written with pastors and Bible teachers in mind, this commentary will equip readers to better understand, explain, and apply the message of Ecclesiastes, highlighting the book's enduring relevance as a testament to the ultimate duty of all people: fearing God and keeping his commandments. The Psalms is one of the most widely loved books of the Bible. A source of instruction for our prayers, inspiration for our songs, and consolation for our tears, these biblical poems resound with the whole spectrum of human emotion and teach us to hope in God each and every day. In the first volume of a three-part commentary on the Psalms, pastor James Johnston walks readers through chapters 1-44, offering exegetical and pastoral insights along the way. In an age that prizes authenticity, this resource will help anyone interested in studying, teaching, or preaching the Bible to truly engage with God in a life-changing and heart-shaping way. Part of the Preaching the Word series.

Sermons that Connect Baker Books
Make Bible study a part of your daily life with the thorough yet easy-to-read commentary that turns complicated theology into practical understanding. The second edition of Believer's Bible Commentary is a one-volume guide that helps the average reader develop basic knowledge of the Bible. This commentary, written by the late William

MacDonald, explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views. Serving as a friendly introduction to Bible study, Believer's Bible Commentary gives clarity and context to scripture in easy-to-understand language. Features: Introductions, notes, and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology, where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version

Christ-Centered Preaching Thomas Nelson

This is a classic that has stood the test of time. For forty-five years, seminary students and pastors have benefited from the principles found in this book. Two of Koller's popular texts, *Expository Preaching without Notes* and *Sermons Preached without Notes*, are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes. Among the eighteen topics discussed are the biblical conception of preaching, the advantages of preaching without notes, homiletical devices, the importance of structure, and the systematic filing of materials. Now repackaged for the next generation of preachers, with a foreword by current Northern Seminary preaching professor Michael J. Quicke, *How to Preach without Notes* is poised to continue its history of strong and steady sales.

Crafting Biblical Sermons That Connect with Our Culture Crossway

Discover Life as God Intended Hurried and exhausted, we are looking for a better way to manage all the demands in our lives. We think that if we could simply learn to balance everything, we would be happier. But our problem isn't balance. What we actually need is to rediscover the rhythm. God has created a pulse for our lives, and for centuries Christians lived into that intentional rhythm, one that has been all but lost today. In this book, Wright invites us to find true joy and wholeness as we embrace the two core realities that every person experiences in life:

- moments alone: times of solitude when we are with God alone
- moments together: times of intentional fellowship with others

In our efforts to maximize our time, we often set unrealistic expectations for our "quiet time" and our social relationships. The result is a failure to hear the ancient rhythm that shows how these dimensions of our lives should complement each other.

Embracing the rhythm of the Christian life, and living it wholeheartedly, is the task of all believers, not just some of us. As Christians, our whole life consists of loving God and loving others— just like Jesus did. Explore *The Rhythm of Christian Life* and recapture the joy of life as God always intended.

Redeeming the Expository Sermon Wipf and Stock Publishers

Zack Eswine starts this unique pastoral resource with a captivating question: Could I now reach who I once was? Challenging the idea that today's preachers must do away with biblical or expository preaching if they are to reach non-Christian people, Eswine offers a way of preaching that embraces biblical exposition in missional terms.

Recognizing all of the different cultural situations in which the gospel must be

preached, he gives preachers practical advice on preaching in a global context while remaining faithful to the Bible. Pastors, seminarians, and church and ministry leaders who speak in various contexts will welcome this fresh, thoughtful examination of bringing the Word to today's multi-everything, post-everything world.

Crossway

In his well-received *Christless Christianity* Michael Horton offered a prophetic wake-up call for a self-centered American church. With *The Gospel-Driven Life* he turns from the crisis to the solutions, offering his recommendations for a new reformation in the faith, practice, and witness of contemporary Christianity. This insightful book will guide readers in reorienting their faith and the church's purpose toward the good news of the gospel. The first six chapters explore that breaking news from heaven, while the rest of the book focuses on the kind of community that the gospel generates and the surprising ways in which God is at work in the world. Here is fresh news for Christians who are burned out on hype and are looking for hope.

Developing Female Leaders Baker Academic

Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas, TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The *Tony Evans Bible Commentary* includes an introduction to each Bible book followed by passage-by-passage exposition of the entire Bible by Dr. Tony Evans. In

addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

Colossians for Beginners The Beginner's Guide to Expository Preaching

The book of Genesis contains some of the most beautiful and well-known stories in the Bible: the garden, the flood, the tower of Babel, and the lives of the patriarchs. But these are more than just good stories. They lay the groundwork for God's relationship with humanity and for his plan for our salvation, making Genesis foundational to understanding everything else that happens in the Bible. Genesis reveals much about human nature and the nature of God. From the actions of the first man and woman, we see where our rebellious, sinful nature originates. And through the whole book we see the hand of a sovereign God who is loving and merciful, but also just and holy. Time and again in Genesis, God showers his grace upon undeserving humanity, giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible. R. Kent Hughes, respected pastor and author of many other commentaries in the Preaching the Word series, takes readers back to the beginning of the Bible and moves through Genesis with careful

exegesis. He explores the superbly crafted structure of the book as well as the weighty themes it contains. For those who preach, teach, and study God's Word, this exceptionally detailed work will reveal much about the beginnings of God's great story. Part of the Preaching the Word series.

It's All in How You Tell It ACU Press

People in churches today are hungry for a word from God. Preachers need to prepare and deliver sound biblical sermons that connect with their audience in a meaningful way. Whether you are a student new to preaching or a veteran looking to brush up your preaching skills, here is a valuable resource. Good preaching begins with good exegesis. Preaching God's Word walks you through the steps of the "Interpretive Journey" from the biblical text to contemporary application:

- Grasp the text in "Their Town" (what it meant to the original audience).
- Measure the width of the river that separates the biblical context from today.
- Cross the "Principlizing Bridge" by identifying the timeless theological principles.
- Grasp the text in "Our Town."

While the science of solid biblical interpretation is essential to effective preaching, it must be married to the art of contemporary communication in order to bring the message home. Preaching God's Word also shows you how to understand your audience, develop powerful applications, use illustrations well, and deliver the sermon effectively. The concluding chapters discuss the unique preaching challenges presented by the various biblical genres, providing interpretive keys, things to avoid, and numerous examples. "Carter, Duvall, and Hays have given us a basic and worthy manual of how-to's for preaching. Now since Haddon Robinson's classic text has a

book taken such a practical and understandable, step-by-step approach to the sermon.” -Calvin Miller, Professor of Divinity, Beeson Divinity School “In a day when the church-world is lulled into complacency by sermons that are little more than entertaining homilies on good values and fix-it paradigms, here is a guide to proclamation the way it was meant to be...biblical, understandable, and transforming.” -Joseph M. Stowell, Teaching Pastor, Harvest Bible Church; Former President, Moody Bible Institute. *Preaching God's Word* B&H Publishing Group

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlight the gospel of grace throughout the book; (3) “Whole-Bible Connections” show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) “Theological Soundings” identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond

opens our eyes to Paul's teaching about God's astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

Preaching to a Post-Everything World
Crossway

Sixty-six books written by forty people over nearly 2,000 years, in two languages and several different genres. The Bible is clearly no ordinary book. How can you begin to read and understand it as a whole? This excellent overview gives you the big picture, providing both the encouragement and the tools you need to read the Bible with confidence and understanding.

Beginning and Blessing Baker Books
With great examples and stories, this book takes you step-by-step through building and delivering great sermons. Especially useful in churches that share a pastor or for people with a burden to preach.

Living Faithfully in the Last Days Baker Books

Have you ever listened to a sermon and felt your heart soar as a fresh insight is given or a long-forgotten emphasis is brought back to you? Have you ever preached a sermon and felt your heart sink as you see the lack of impact it is making on those blank faces listening to you? Preaching, that long neglected and much required skill, has two competing the strains. On the one hand preachers need to hold onto the truth of the message, striking the line of truth cleanly, never adding or removing anything from it. On the other hand preachers need to communicate - to reach out and with the help of the Spirit grab the heart of listener. It's not an easy balance to find, but Stephen McQuoid brings a refreshing dose of sensible and thoroughly Biblical advice

to help us.

Preaching First-Person Expository Messages Baker Academic

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."
