Sixty-four days in captivity. Sixty-four days to lose yourself—or find yourself. Sixty-four days that gave me a love most people will never have, and my freedom took it all away. Constantly wondering when and how you will die, that does something to your mind. But what happens when it does something to your heart? What do you do when the presence of the man holding you captive becomes a comfort you crave—when you love him even though you shouldn't? You smile and tell yourself it's okay because love has no morals. I'm Ava Donovan. I was abducted at the age of nineteen. I'm told I'm a survivor, but the truth is, I only survived because he saved me.

**Dawn of Darkness: Daeva: Book One** Simon and Schuster  
 Its 1634 and a ship of Puritans struggles through a storm on its way to Boston. Among them are John Lee, an ancestor of two future princes of England, and Grace Newell, both 13-year-old wards of William Westwood, their congregation's lawyer. During the storm, John sees 19-year-old Richard Hawkes, a petty thief and murderer, steal their church's gold inlaid silver chalice. The next day, when the chalice is missing, Richard threatens to kill Grace unless John swears to conceal the theft. John agrees if Richard returns the chalice. With few options, Richard agrees. Over the next 40 years, challenges and opportunities present themselves amidst Indian wars and witchcraft trials. Richard lies, steals, and murders his way to fortune and influence, while John becomes a soldier, civic leader, and Indian teacher. Each attracts followers, while both compete for the affection of the same woman. John's guilt over his oath grows as he blames himself for unleashing Richard's evil upon his community. At the same time, he believes breaking his oath would be a great sin. Nesehegan, one of John's Indian students, tells John how he resolved his conflict between loyalty to his tribe and his belief in God. Months later, Richard calls John as a witness at Richard's murder trial. Confronted with a question he can't answer without breaking either his oath to God or his oath to the court, John remembers Nesehegan's story.

From the chief film critic of Slate comes a fresh and captivating biography on comedy legend and acclaimed filmmaker Buster Keaton that also explores the evolution of film from the silent era to the 1940s. As one of the most famous faces of silent cinema, Buster Keaton was and continues to be revered for his stoic expressions, clever visual gags, and acrobatic physicality in classics such as *Sherlock Jr.*, *The General*, and *The Cameraman*. In this spirited biography, every aspect of Buster Keaton's astonishing life is explored, from his humble beginnings in vaudeville with his parents to his meteoric rise to Hollywood stardom during the silent era. Based on vigorous research of both Keaton and the film industry, it also delves into the dark sides of fame, such as Keaton's ill-advised businesses deals and alcoholism, to his unexpected resurgence in the 1940s as his contributions as both an actor and director were finally celebrated. This is a fascinating and uniquely astounding look at both the classic era of Hollywood and one of its most beloved stars.

"Lucht's engaging prose style and keen ethnographic eye provide for a captivating narrative on a form of population movement often in the news but rarely if ever really understood." --Jeffrey E. Cole, author with Sally Booth of "Dirty Work: Immigrants in Domestic Service, Agriculture, and Prostitution in Sicily." "Few ethnographers manage to integrate in-depth multi-sited fieldwork, enthralling narrative and innovative theory as well as Hans Lucht does in this study of existential reciprocity among Ghanaian fishermen forced by dwindling catches to embark on hazardous migrations to Europe in search of the wherewithall of life. In Lucht's capable hands, these stories become an allegory of our times." --Michael Jackson, author of "Life Within Limits: Well-Being in a World of Want." "An original, comprehensive, and skilled study, "Darkness before Daybreak "provides the reader with a real sense of the quality and meaning of existence in Ghana and in Naples, while providing enough historical and political/economic context to permit a nuanced critical analysis of globalization theory." --Peter Schneider, Professor Emeritus of Sociology and Anthropology, Fordham University, and author with Jane Schneider of "Reversible Destiny: Mafia, Antimafia, and the Struggle for Palermo."

For my life became the darkness of abuse, neglect, the total removal of all that was light in my life; the end only coming as the strength and beauty of the light returned, removing the darkness that engulfed the hours before the dawn.
