Manila is not for the

faint of heart.
Population: over ten
million and growing by
the minute. Climate:
hot, humid and prone

to torrential monsoon rains of biblical proportions. The ultimate femme fatale, she's complicated and mysterious, with a tainted, painful past. The perfect, torrid setting for noir. Edited by Dogeaters (Penguin, 1991) author and National Book Award Nominee Jessica Hagedorn, and featuring original stories from a stunning group of multi-award-winning authors.

This book is the list of printed documents I have collected about the Philippines in general and the Tagalog language in particular. The entries are followed by an index of the themes involved.

Kilates Speak

The debut of an important new literary voice: Marin Sardy's extraordinarily affecting, fiercely intelligent memoir unflinchingly traces the path of the schizophrenia that runs in her family. Against the starkly beautiful backdrop of Anchorage, Alaska, where the author grew

up, Marin Sardy weaves a fearless account of the shapeless thief--the schizophrenia--that kept her mother immersed in a world of private delusion and later manifested in her brother, ultimately claiming his life. Composed of exquisite, self-contained chapters that take us through three generations of this adventurous, artistic, and often haunted family, *The Edge of Every Day* draws in topics from neuroscience and evolution to the mythology and art rock to shape its brilliant inquiry into how the mind works. In the process, Sardy casts new light on the treatment of the mentally ill in our society. Through it all runs her blazing

compassion and relentless curiosity, as her meditations takes us to the very edge of love and loss--and invite us to look at what comes after.

Approximately three million Japanese died in a conflict that raged for years over much of the globe, from Hawaii to India, Alaska to Australia, causing death and suffering to untold millions in China, southeast Asia and the Pacific Islands, as well as pain and

anguish to families of soldiers and civilians around the world. Yet how much do we know of Japan's war? In a sweeping panorama, Haruko Taya and Theodore Cook take us from the Japanese attacks on China in the 1930s to the Japanese home front during the devastating raids on Tokyo, Hiroshima and Nagasaki, offering the first glimpses of how this violent conflict affected the lives of ordinary Japanese people. 'Oral History of a compellingly high order.' Kirkus Reviews 'This book seeks out the true feelings of the wartime generation [and] illuminates the contradictions between official views of the war and living testimony.' Yomiuri Shimbun

Nancy Pearl comes an
emotional, “Anne-
Tyler-esque” (Library
Journal) debut novel
about an unlikely
marriage at a
crossroads. George
and Lizzie are a couple,
meeting as college
students and marrying
soon after graduation,
but no one would ever
describe them of being
soulmates. George
grew up in a warm and
loving family—his
father an orthodontist,
his mother a stay-at-
home mom—while
Lizzie was the only
child of two famous
psychologists, who
viewed her more as an
in-house experiment
than a child to love.
After a decade of
marriage, nothing has
changed—George is

happy; Lizzie
remains...unfulfilled.
But when George
discovers that Lizzie
has been searching for
the whereabouts of an
old boyfriend, Lizzie is
forced to decide what
love means to her,
what George means to
her, and whether her
life with George is the
one she wants. With
pitch-perfect prose and
compassion and humor
to spare, George and
Lizzie is “a richly
absorbing portrait of a
perfectly imperfect
marriage,” (Amy
Poeppel, author of
Small Admissions), and
“a story of forgiveness,
especially for one’s
self” (The Washington
Post).

Falling Into the Manhole Anvil

Publishing, Inc. Birds of Prey (Mga Ibong Mandaragit) is a story of the valiant fight for justice and social change during and after the Japanese occupation of the Philippines in World War II. Originally written in Tagalog by revered

Philippine National Artist in Literature Amado V. Hernandez, and translated to English by Estelita Constantino-Pangilinan, this socio-political novel depicts the oppression of the Filipino people by both the brutal occupiers and their own corrupt leaders, while holding out hope for a vision of an egalitarian society. Inspired by Jose Rizal's novels, it is a sequel to El Filibusterismo. Birds of Prey follows Mando Plaridel, the guerrilla warrior who discovers his strength and greater purpose as he searches for and finds the treasure left behind by Rizal's protagonist Simoun. This historical fiction examines one country's past but its message resonates with the real and

present struggles in societies around the world.

Ang riles sa tiyan ni tatay

"Idinikit ko pa ang aking katawan sa kanyang braso.

Nagyayayang yakapin pa ako ng sundalo.

Lumapat ang aking pisngi sa kanyang mabalahibong dibdib.

Ang init ng kanyang

mga bisig na sintigas ng M16. Kumapit ako nang mas mariin. Na

tila may nais akong imapa sa kanyang katawan, nais ikubli at nais pakawalan.

Kasinggaspang man ng talahib ang suot niyang fatigue,

naibabalangkas ko pa rin doon ang tinatawag nilang pag-ibig"
