A Journey to Your Creative Heart

Bloomsbury Publishing USA

Growing up in a world of wealth and pastel-tinted entitlement, fifteen-year-old Carly has always relied on the constancy—and authenticity—of her sister, Anna. But when fourteen-year-old Anna turns plastic-perfect-pretty over the course of a single summer, everything starts to change. And there are boys involved, complicating things as boys always do. With warmth, insight, and an unparalleled gift for finding humor even in stormy situations, beloved author Lauren Myracle dives into the tumultuous waters of sisterhood and shows that even very different sisters can learn to help each other stay afloat.

Songs Written by Neil Young Neil

Young: Heart of Gold

"Hope Rises From The Ashes..." No one planned to stay in the Porcupine Camp. All anyone hoped for was to find gold fast and get on the next train home. But when the Great Fire of 1911 strikes, something strange happens, and the people of the Porcupine Camp discover that gold isn't only found in the ground... .. It is found in each other. Based on true events that occurred during the Porcupine Gold Rush of the early 20th century, Heart of Gold is a new musical theatre creation exploring the romance, adventure, and hope that is synonymous with Canadian History.

Reviews from the amateur premiere:

"Heart of Gold an 'amazing' production" By Wayne Snider, The Daily Press (Timmins) ..".The story of the community bouncing

back from the Great Fire of 1911 needed to be told in a manner that carried the audience through a range of emotions - from sorrow and fear to laughter and joy...

It did, allowing the performance to flow north as naturally as the Porcupine River.

... the final production is absolutely amazing. Right from the beginning - where after the initial gold discovery, wave after wave of various immigrant groups dance onto the stage in search of the same prize - to the end where formal rivals become a loving, caring community, the audience is hooked..." "The story, written by Laureen Kuhl, introduces us to characters that the audience cares about from the beginning. It provides a very human story - mixing romance and greed together - that not only succeeds in telling the story of the Great Fire, but is truly entertaining. There are great moments of laughter, such as

when all the guys are teasing the would-be womanizing francophone Andre LeRoux (superbly portrayed by Thomas Vezina) to when Andre is poking fun at the best attempts to read French by leading lady Caroline Mayben-Flowers (an admirable performance by Catarina Ciccone). These are pioneer scenes that one could picture taking place today - making the historic tale relatable to a modern audience. The music... adds an entire new dimension to the story of Timmins. Individual tunes like Come On Come to the Porcupine and Gold Runs Down in Rivers could easily stand on their own. But as a key part of the story, it helps form the cultural mosaic that is Heart of Gold..." "The audience connects with Heart of Gold on all levels. There was a real sense of awe and fright when it was realized the Great Fire was bearing down on the pioneer community..." As characters mourn the loss of life on stage, the audience shares the emotional experience. It was one of the most powerful theatrical moments ever seen on stage in Timmins. Overall, the cultural Avengers of Timmins have assembled one truly magical, creative and entertaining showpiece..." Link: <http://www.timminspress.com/2012/06/10/heart-of-gold-an-amazing-production> "It was a masterful piece..." "the show felt real.

"From Blogger Naomi: " ..". (It) "made you feel as though you were peaking in through a window back in 1911..." "We had the opportunity to feel fear, hatred, love, hope, joy, mourning and relief over the course of the play and it was a masterful piece performed from the heart to celebrate this wonderful community.

What a wonderful show- I only wish I was able to stay in town to enjoy it again "

"From Anthony Roberts at the Timmins Daily Press: " ..". What a treat. Well done. It deserves a TIMMINS OSCAR. A night to remember." Link: <http://www.timminspress.com/2012/06/11/heart-of-gold-musical>

The Stories Behind the Classic Songs of Neil Young Other Press, LLC

Bob Dylan has always regarded himself as a songwriter: 'I am my words,' he wrote in 1964. Distilling a lifetime's passion and study, leading Dylan author, Clinton Heylin charts the development and first moments of genius of this unique artist whose songs changed the world. From his first attempts at writing, Song to Bridget, in 1957, (apparently for Brigitte Bardot) Bob Dylan always aspired to poetry, yet his role as a writer rather than a performer of his own songs is often overlooked. In over fifty years of creativity he had penned some of the most iconic, and perfect, songs in popular history. Arriving in New York in 1961, the city had an enormous impact on the young artist and, as he established himself amongst the folk clubs and artists, he would produce songs that spoke for a whole generation: Blowing in the Wind, A Hard Rain's Gonna Fall, The Times They Are a Changin', Like a Rolling Stone, and Forever Young. In *Revolution in the Air* Clinton Heylin recounts the story of each song as it is written, giving a full appreciation of the songs themselves as well as Dylan the emerging artist. Unlike any other book on Dylan, it charts his rise as a writer, where he gained his inspiration, the burst of energy which produced some of his most famous songs as well as the lesser known stories behind the more iconic verses. This is an essential book for anyone interested in Dylan and his place in literature. Informative, opinionated, packed with new insights and revelations, this is an instant classic.

Charlie Chaplin the actor is universally synonymous with his beloved Tramp character. Chaplin the director is considered one of the great auteurs and innovators of cinema history. Less well known is Chaplin the composer, whose instrumental theme for *Modern Times* (1936) later became the popular standard "Smile," a Billboard hit for Nat "King" Cole in 1954. Chaplin was prolific yet could not read or write music. It took a rotating cast of talented musicians to translate his unorthodox humming, off-key singing, and amateur piano and violin playing into the singular orchestral vision he heard in his head. Drawing on numerous transcriptions from 60 years of original scores, this comprehensive study reveals the untold story of Chaplin the composer and the string of famous (and not-so-famous) musicians he employed, giving fresh insight into his films and shedding new light on the man behind the icon.

Heart of Gold, the Musical Constable
Return to Dreagan for a special Valentine's story featuring Constantine, the King of Dragon Kings, and his mate... He's loved her for eons, wanted her forever, and a day never passes without her at the forefront of his mind. The only way Con could pass the time as his fellow Dragon Kings slept away the centuries was to record his thoughts in journals: one for his responsibilities as King of Dragon Kings, and another for the object of his desire. Now that she's finally back in his life and his arms, it's time she learns the truth. He played a part all those eons—maybe a little too well—but he never stopped loving her, and his journal will show her just how much. But Con is the one in for a surprise as his mate turns the tables on him and leads him on a merry chase. If he can find her, he knows he's in for something special. But then again, every day is extraordinary with his love by his side. And, thankfully, their future has never looked brighter.

Strum & Sing Series Bailey Brown Publishing

This is a love story between a believer's heart and the great and loving heart of God. Journey with the author as God

gradually wins her love and as He faithfully carries her through a long, dark valley of suffering to a place of peace, joy, and victory. Witness the powerful message of the cross at work in her life and find yourself drawn to the One who suffered and died on the cross for you. The background of this story offers a rare look at the inner workings of a controversial church in which the author was persecuted for her personal Christian beliefs. It depicts the gradual development of an environment of deception and provides insight into how people seeking God can be caught up in such groups. The lessons the author learned, the knowledge she gained about Christ and Him crucified, and the truth that set her free are invaluable. As God's purpose for her life begins to take shape and her tangled experiences begin to make sense, a beautiful part of God's masterpiece unfolds—one that God has skillfully and patiently crafted. You will realize that you, too, have a unique place and purpose in His universal tapestry, one He is waiting to show you.
