In 1938, when faced with a decision to work at a shoe company in India or stay in Czechoslovakia and wait for another war, Miki Hruska's newly married parents opted to move, thinking they

would return home in a few years. But they would not be able to return "home" for another four decades; instead, home became Calcutta, where they raised their family and established a business during a parade of turbulent social and political events. The ill-planned departure of

the British from India and their bungled attempts at Partition engendered riots and killings that brought bloodshed to the family's front door. And when the Communists took over the government of West Bengal, they brought labour disruptions that made it next to impossible to operate the family business. This riveting family memoir is set during the cataclysmic events of WWII and its aftermath, giving a harrowing yet heartwarming portrait of life for a migrant Czech family and showing how perseverance and love can sustain people through the darkest of times.

From the illustrator of the #1 smash hit *The Day the Crayons Quit* comes an imaginative

tale of friendship in a world where what makes us different isn't nearly as important as what makes us the same. When a boy discovers a single-propeller airplane in his closet, he does what any young adventurer would do: He flies it into outer space! Millions of miles from Earth, the plane begins to sputter and quake, its fuel tank on empty. The boy executes a daring landing on the moon . . . but there's no telling what kind of slimy, slithering, tentacled, fangtoothed monsters lurk in the darkness! (Plus, it's dark and lonely out there.) Coincidentally, engine trouble has stranded a young Martian on the other side of the moon, and he's just as frightened and alone. Martian,

Earthling—it's all the same when you're in need of a friend. *No Way Back* American Enterprise Institute
When I woke up in the mornings and opened my eyes, all I could see was the street and hard times; no one to turn to and nowhere to really go but to the dump or fishing or stealing, and most days, I did all three. I had no one to look up to so I made my own way. Sometimes, one day would be easier than another, but every day was a bit of hell. Every day, I got an "ass beating" about something I did or something I did not do. I had no say about anything. I was always wrong in my father's and mother's eyes and the more they beat me, the meaner I got with them and with

everybody else. My sisters hardly ever got beaten. I got all the beatings for the family, so I really got in a f-- it kind of attitude. I began to look for the beatings every day. My life was really in bad shape.

[The True Story of a Trek to Freedom](#) No Way Back

Biography of a Hopi Indian woman and her career as an educator.

No Turning Back
Random House

A rich and enjoyable novel about marriage, love and betrayal, from the great German realist Theodor Fontane. Charming, cheerful Count Holk is delighted to be called

away from his solemn wife to the distant court of a Danish princess. Swept up in the romance of his new, lively surroundings at a 'castle by the sea', the Count does not realize that not everyone there is what they seem - and that a wrong decision may have fatal consequences.

Published in 1892, this tragicomic work of failing marriage and modern sexual politics is full of the irony, elegance and masterful dialogue for which Theodor Fontane is acclaimed. Theodor Fontane was born in the Prussian province of Brandenburg in 1819. After qualifying as a pharmacist, he made his living as a writer. From 1855 to 1859, he lived in

London and worked as a freelance journalist and press agent for the Prussian embassy. While working as a war correspondent during the Franco-Prussian war of 1870-1 he was taken prisoner, but released after two months. His first novel, *Before the Storm*, was published when he was fifty-eight and was followed by sixteen further novels, of which *Effi Briest*, *No Way Back* and *On Tangled Paths* are all published in Penguin Classics. He died in 1898. Hugh Rorrison and Helen Chambers have both published extensively on German literature, and translated together the Penguin Classics translation of Fontane's *Effi Briest*. *'No Way Back* has the amplitude, the social and personal varieties,

we expect of the major social novel; it surely ranks among the most imaginatively challenging and intellectually satisfying attainments in that dominant nineteenth-century form' - Paul Binding, *The Spectator* *'Helen Chambers and Hugh Rorrison have improved on the previous English version...natural, idiomatic'* - Ritchie Robertson, *Times Literary Supplement* *'Theodor Fontane's standing in Germany is comparable to Jane Austen's in the English-speaking world...his best work is an elegant and engaging blend of irony, penetration and compassion'* Helen Chambers

For fans of Jenny Han and Morgan Matson, a witty, poignant novel about second chances, letting go, and the unbreakable bonds of friendship. Six months ago, Ashlyn Montiel died in a bike accident. Her best friend, Cloudy, is keeping it together, at least on the outside. Cloudy's insides are a different story: tangled, confused, heartbroken. Kyle is falling apart, and everyone can tell. Ashlyn was his girlfriend, and when she died, a part of him went with her. Maybe the only part he cares about anymore. As the two people who loved Ashlyn best, Cloudy and Kyle should be able to lean on each

other. But after a terrible mistake last year, they're barely speaking. So when Cloudy discovers that Ashlyn's organs were donated after her death and the Montiel family has been in touch with three of the recipients, she does something a little bit crazy and a lot out of character: she steals the letters and convinces Kyle to go on a winter break road trip with her, from Oregon to California to Arizona to Nevada. Maybe if they see the recipients—the people whose lives were saved by Ashlyn's death—the world will open up again. Or maybe it will be a huge mistake.

'I hope The Long Walk will remain as a memorial to all those who live and die for freedom, and for all those who for many reasons could not speak for themselves'
Slavomir Rawicz
Slavomir Rawicz was a young Polish cavalry officer. On 19 November 1939 he was arrested by the

Russians and after brutal interrogation he was sentenced to twenty-five years in a gulag. After a three-month journey in the dead of winter to Siberia, life in a Soviet labour camp meant enduring hunger, extreme cold, untreated wounds and illnesses and facing the daily risk of arbitrary execution. Realising that to remain meant almost certain death, Rawicz, along with six companions, escaped. In June 1941, they crossed the trans-Siberian railway and headed south, climbing into Tibet and freedom in British India nine

months later, in March 1942, having travelled over four thousand miles on foot through some of the harshest regions in the world, including the Gobi Desert, Tibet and the Himalayas. First published in 1956, this is one of the greatest true stories of escape, adventure and survival against all odds. In 2010, a film, *The Way Back*, based on the book, directed by six-time Academy Award-nominee Peter Weir (Master and Commander, *The Truman Show*, and *The Dead Poets Society*) was released. It starred Colin Farrell, Jim Sturgess and Ed Harris.
