Student workbooks are a new type of resource that will support your teaching and help develop student skills. The three workbooks in the series for AS/A2 law cover the subject areas of the English legal system, the sources of law and law making and criminal law. Relevant to the AQA and OCR specifications, each workbook is divided into topic areas, introduced by extracts and source material, followed by a varied selection of exercises and exam style questions. The workbooks can be used to supplement textbooks, class notes and research material and will improve students understanding of the key features of each topic, thereby helping them revise more effectively. Answers to the exercises are provided in an accompanying set of teachers notes. Student Workbooks are printed in full colour throughout and are available in class sets of 10, priced at £40 per set for the shorter AS workbooks. The longer A2 workbook is priced at £45 per set.
