Public Law Routledge

The Palgrave Macmillan Law Masters series is a long-running and successful list of titles offering clear, concise and authoritative guides to the main subject areas, written by experienced and respected authors. The seventh edition of Criminal Law provides a comprehensive introduction to the basic principles of criminal liability and to the main criminal offences, together with insights into the controversies and debates that surround the subject. The

text is written in a clear and engaging style, making the fundamental concepts easy to grasp. This is an ideal companion for both law undergraduate and GDL/CPE students. This new edition has been thoroughly updated to reflect recent case law and statutory developments. The enhanced layout includes Hot Topic sections analysing the controversial cases of recent years, plus end of chapter summaries and suggestions for further reading.

Smith & Hogan Criminal Law Smith & Hogan Criminal Law Cases and Materials A companion to Smith and

Hogan: Criminal Law this work provides all the necessary materials; cases, statutes, reports, extracts from books and articles, for an in-depth study of the general principles of criminal law. This edition has been updated to incorporate new legislation such as the Sexual Offences Act 2003 and relevant new case law. Smith and Hogan's Criminal Law This comprehensive casebook provides extracts from all of the key cases along with other essential materials from statutes, reports, books, and articles. Notes and questions provide context and encourage deep learning. It is the perfect companion to a textbook such as Smith and Hogan Criminal Law.

**Criminal Law Reform Now** Oxford University Press, USA  
This book examines the rapid

development of the fundamental concept of a crime in international criminal law from a comparative law perspective. In this context, particular thought has been given to the catalyzing impact of the criminal law theory that has developed in major world legal systems upon the crystallization of the substantive part of international criminal law. This study offers a critical overview of international and domestic jurisprudence with regard to the construal of the concept of a crime (actus reus, mens rea, defences, modes of liability) and exposes roots of confusion in international criminal law through a comprehensive comparative analysis of substantive criminal laws in selected legal jurisdictions.  
*Smith & Hogan's Essentials of Criminal*

Law Cambridge University Press  
Modern Land Law offers a lively and thought-provoking account of a subject that remains at the heart of our legal system. Dispelling any apprehension about the subject's formidability from the outset, this compact textbook provides an absorbing and exact analysis of all the key legal principles relating to land. Written with students firmly in mind, the principal features of this textbook include: • a clear introduction to every chapter which frames each topic in its wider context; • corresponding chapter summaries which help to consolidate learning and encourage reflection; • the use of tables and diagrams to aid understanding of complicated topics; • a friendly two-color text design which complements Martin

Dixon's comprehensible and engaging writing; • an updated companion website which supports this textbook with a fully customizable testbank for lecturers; self-test questions and practice exam-style questions for students as well as podcasts to keep students updated with new cases, important decisions and other newsworthy issues relating to land law. This 9th edition has been thoroughly revised and updated to take into account key developments in the law in the light of the Law Commission's recommendations on easements and covenants, as well as the increased impact of the HRA 1998 on case law. All major recent decisions and judgments will be incorporated alongside a discussion of proposals for reform and

new legislation. Modern Land Law is one of the most current and reliable textbooks available on land law today.

*Modern Land Law* Oxford University Press, USA

Fully updated and revised to fit in with the new laws and structure in the Commonwealth Caribbean law and legal systems, this new edition examines the institutions, structures and processes of the law in the Commonwealth Caribbean. The author explores: - the court system and the new Caribbean Court of Justice which replaces appeals to the Privy Council - the offshore financial legal sector - Caribbean customary law and the rights of indigenous peoples - the Constitutions of Commonwealth Caribbean jurisdictions and Human Rights - the impact of the

historical continuum to the region's jurisprudence including the question of reparations - the complexities of judicial precedent for Caribbean peoples - international law as a source of law - alternative dispute mechanisms and the Ombudsman Effortlessly combining discussions of traditional subjects with those on more innovative subject areas, this book is an exciting exposition of Caribbean law and legal systems for those studying comparative law.

**Smith and Hogan's Text, Cases, and Materials on Criminal Law**

Bloomsbury Publishing

This work, a companion to Smith and Hogan: Criminal Law, is a collection of materials on those parts of the substantive criminal law which make up undergraduate courses. In addition to

cases, the materials include statutes, reports, books and articles arranged by subject matter. Introductory notes and commentary link the materials, and questions and problems illuminate and provoke thought about the issues raised. There have been major legislative changes in criminal law, eg. offences against the person, crime, disorder and theft. This edition brings the work up to date in the light of large changes in statute and case law.

**A Comparative Law Analysis** Springer Science & Business Media

This is the new edition of the leading textbook on criminal law by Professors Simester and Sullivan, now co-written with Professors Spencer, Stark and Virgo. Simester and Sullivan's Criminal Law is an outstanding account of modern

English criminal law, combining detailed exposition and analysis of the law with a careful exploration of its theoretical underpinnings. Primarily, it is written for undergraduate students of criminal law and it has become the set text in many leading universities. Additionally, the book is used as an important point of reference in academic writing and postgraduate research in England and abroad. Simester and Sullivan's Criminal Law has been cited by appellate courts throughout the world. Review of Previous Edition: '... undoubtedly a first-rate companion for any undergraduate or post-graduate law course. Since attaining international recognition and citation in appellate courts worldwide, the security of the text's position as a point of academic reference remains as

steadfast as ever.' John Taggart, *Criminal Law Review*

*Ashworth's Principles of Criminal Law*  
Oxford University Press

'Smith and Hogan's Essentials of Criminal Law' combines the authority you would expect from a Smith and Hogan title with succinct coverage and a wealth of student friendly learning features to aid study.

**Cases and Materials** Oxford University Press

The *Criminal Law of Sierra Leone* documents the substantive criminal law as it has been applied, expounded, and developed since the introduction of English Common Law, using relevant case-law authorities and illustrations. The author takes a broad approach to the study of the country's criminal law,

using cases to highlight and elucidate the principles and rules developed by the courts and also to demonstrate the real world impact of judicial decisions. This study provides an analytical understanding of the country's criminal law principles and doctrines, and the opportunity to critique court decisions from their own perspectives of fairness and justice. The author begins by introducing the courts that exercise criminal jurisdiction in Sierra Leone, an analysis of the specific features of criminal law, and an exposition of its underlying principles, theories, and doctrines as a social control mechanism. He then discusses the basic elements of crime and describes how crimes are classified. Finally, he presents the defenses to criminal liability available

under the law and articulates the case for major reforms of the country's criminal law.

**Smith, Hogan, and Ormerod's Text, Cases, and Materials on Criminal Law** Oxford University Press

Smith, Hogan, & Ormerod's Text, Cases, & Materials on Criminal Law is a thorough and accessible guide to criminal law, combining extracts from key cases and statutes, together with invaluable extracts from expert reports and articles. Ormerod and Laird expertly guide the reader through the various facets of the law while posing numerous questions for further investigation and reflection. The contents of the twelfth edition have been substantially revised and restructured to closely match the structure of contemporary courses. This

new edition includes significantly more explanatory text and third-party critical commentary, ensuring that the book is suitable for use as a core textbook. This book provides the law student with everything they need to develop a thorough understanding of this fascinating subject. Online Resource Centre

[www.oxfordtextbooks.co.uk/orc/sho/](http://www.oxfordtextbooks.co.uk/orc/sho/) This book is accompanied by a selection of online resources, including detailed annual updates, useful web links, and outline answer guidance to selected in-text questions.

*Cases and Materials* Oceana Publications Criminal cases raise difficult normative and legal questions, and are often a consequence of compelling human drama. In this collection, expert authors

place leading cases in criminal law in their historical and legal contexts, highlighting their significance both in the past and for the present. The cases in this volume range from the fifteenth to the twenty-first century. Many of them are well known to modern criminal lawyers and students; others are overlooked landmarks that deserve reconsideration. The essays, often based on extensive and original archival research, range over a wide spectrum of criminal law, covering procedure and doctrine, statute and common law, individual offences and general principles. Together, the essays explore common themes, including the scope of criminal law and criminalisation, the role of the jury, and the causes of change in criminal law.

### Criminal Law Sweet & Maxwell

A companion to Smith and Hogan: Criminal Law this work provides all the necessary materials; cases, statutes, reports, extracts from books and articles, for an in-depth study of the general principles of criminal law. This edition has been updated to incorporate new legislation such as the Sexual Offences Act 2003 and relevant new case law.

### Smith, Hogan, and Ormerod's Criminal Law Macmillan International Higher Education

Offers students with a logical introduction to contract law. Exploring various developments and case decisions in the field of contract law, this title combines an examination of authorities and commentaries with a

modern contextual approach.

### **The Elements of Legal Writing**

Butterworth-Heinemann

'Smith and Hogan's Criminal Law' is world renowned for its clear and authoritative treatment of the criminal law. 'Smith and Hogan's Essentials' combines that authority with numerous supportive learning features and an eye on developing analytical and assessment skills. It provides a gateway to understanding the dynamic world of criminal law.

*Smith and Hogan's Text, Cases, and Materials on Criminal Law* Routledge

Smith and Hogan Criminal Law: Text and Materials is an essential, accessible guide to the criminal law. The eminently clear text that is the hallmark of the Smith & Hogan approach is

supplemented by extracts from all of the key criminal law cases, together with other essential materials from statutes, reports, and articles. Introductory notes, commentary, summaries, and questions help students to contextualize the materials and to apply the law confidently, gaining an in-depth insight into the problems that the law poses and faces. The contents of the eleventh edition have been substantially revised and restructured to present the materials in an order that closely matches the structure of contemporary courses on criminal law. The overall approach that the book takes has been adjusted to include significantly more explanatory text, thus ensuring that the book is suitable for use as a core textbook. The latest legislation and all of

the recent cases that continue to shape the law are included, providing the law student with everything they need to develop a thorough understanding of the key cases and the legal principles that they illustrate.

**Smith, Hogan, and Ormerod's Essentials of Criminal Law** Oxford University Press

Smith, Hogan, and Ormerod's Essentials of Criminal Law provides an ideal gateway into the dynamic world of criminal law. Focused, expert coverage, a hallmark of the Smith, Hogan, and Ormerod books, is supported by a wealth of student-friendly learning features that enhance learning in this ideal introduction for first time students. Dr John Child and Professor David Ormerod QC expertly guide new undergraduate

readers through the subject, addressing all the key topics on the LLB. Complex issues are demystified and explained, offering a clear understanding of offences, defences and principles that underlie them. Particular attention is paid to student assessment, with end of chapter sections offering advice on how to approach essay and problem questions. Short learning and assessment tips are provided throughout the chapters. Online Resources A range of online resources are provided to further a student's understanding, including video tutorials from the authors and students, examination questions with answer guidance from the authors, multiple choice questions, chapter summaries, and further reading.

**Text, Cases, and Materials**

Bloomsbury Publishing

Fresh, modern, and practical, Public Law provides law undergraduates with a unique approach to constitutional and administrative law, aptly demonstrating why this is an exciting time to be studying the subject. Writing in a fluid, succinct style, the authors carve a logical pathway through the key areas studied on the LLB, guiding students to a solid understanding of the fundamental principles. This theoretical grounding is then rooted in reality, with each concept applied to a hypothetical scenario (included at the start of each chapter) to set it into a practical context. While this practical element helps students to understand how the law applies and develop problem-solving skills, a trio of supportive learning

features also encourages active engagement with and a critical appreciation of public law. 'Key case' boxes highlight and analyse the significant case law in each area; "Counterpoint" boxes flag alternative viewpoints and areas of debate; and "Pause for reflection" boxes prompt readers to consider the impact of laws, and what potential developments and reforms may lie ahead. Public Law's modern approach and unique combination of practical application and theoretically critical discussion makes it the ideal choice for students seeking to understand concepts not only in the abstract but in practice, helping them to develop the skills they need to succeed at university and beyond. Online Resources This title is supported by an

online resources platform for students featuring guidance on approaching and analysing the real life scenarios in the book, a bank of multiple choice questions, legal updates, and links to useful material elsewhere on the web. *Text, Cases, and Materials* OUP Oxford

A comprehensive and up-to-date exposition of criminal procedure in a straightforward style. The various stages of a criminal case are examined in depth and reference is made to statutory law materials and to relevant case law. The book includes the changes made to the Court of Appeal by the Criminal Act 1995 and the provisions relating to criminal proceedings, pre-trial hearings and disclosure of evidence contained in the Criminal Procedure and Investigations Act 1996. Intended for undergraduates,

postgraduates and students on the BVC and LPC, it should also be useful for practitioners appearing in the criminal courts.

*Smith and Hogan's Criminal Law*  
Bloomsbury Publishing

If you could change one part of the criminal law, what would it be? The editors put this question to nine leading academics and practitioners. The first nine chapters of the collection present their responses in the form of legal reform proposals, with topics ranging across criminal law, criminal justice and evidence – including confiscation, control orders, criminal attempts, homicide, assisted dying, the special status of children, time restrictions on prosecution, the right to silence, and special measures in court. Each chapter

is followed by a comment from a different author, providing an additional expert view on each reform proposal. Finally, the last two chapters broaden the debate to discuss criminal law reform in general, examining various reform bodies and mechanisms across England, Wales and Scotland. Criminal

Law Reform Now highlights and explores the current reform debates that matter most to legal experts, with each chapter making a case for positive change.
