The New Kings Of Crude The New Kings of

Crude is written in a personable and

character-driven style, making it

accessible to the general reader and those

with an academic interest. Its greatest

strength, however, is that it provides a

comprehensive history to the never-

ending complexities of Sudanese politics

which continue to dictate events to this

day.' --Think Africa Press The New Kings of

China, India, and the Global ... The New

Kings of Crude is an authoritative narrative

of the role of Chinese and Indian oil

companies in the "new" global scramble

for oil in Africa, drawing on the case of

Sudan and South Sudan. It is well-

researched, comprehensive and

compelling, providing the most detailed

analysis of the oil-conflict nexus, and the

scope and limits of oil diplomacy involving

Asia's emerging powers and both

countries.' The New Kings of Crude | Hurst
