ALBERT MYLA

The Wander Society Ags Pub

A deceptively simple adventure into the unknown using only paper, a pencil and a single line Wreck This Journal had a simple premise: destroy the book in all the ways you can imagine. The Line is even simpler: find pencil, start a line. As you move through the pages of Keri Smith's newest book, you'll be asked to let your line meander, explore the book's gutter, and jump around the edges of the pages. You'll hide your line, cut your line and even let someone else take over your line for a bit. The farther you get into the book, however, the more you'll discover that maybe things aren't as simple as they first seemed. The line has a mind of its own, and it's up to you to discover what's at the end of the line (hint: it's just the beginning).

Dear Data Penguin

Presents a vivid account of a history-making storm that hit the New England coast in October 1991 and the lives it changed, weaving together the history of the fishing industry, the science of storms, and personal accounts. Tour.

Courageous World Changers Particular Books

Go on a creative journey that will take your imagination to a magical world. This book is perfect for any creative Harry Potter fan.

Wreck This Journal (Duct Tape) Particular Books

A story about friendships and commitment to one another so incredible you wouldn't believe it if it wasn't true. Kevan is just one of the guys. It's impossible to know him and not become a little more excited about life. He is an inspiring man permeated by joy, unafraid of sorrow, full of vitality and life! His sense of humor is infectious and so is his story. He grew up, he says, at "belt-buckle level" and stayed there until Kevan's beloved posse decided to leave his wheelchair at the Atlanta airport, board a plane for France, and have his friends carry him around Europe to accomplish their dream to see the world together! Kevan's beloved posse traveled to Paris, England, and Ireland where, in the climax of their adventure, they scale 600 feet up to the 1,400-year-old monastic fortress of Skellig Michael. In *WE CARRY KEVAN* the reader sits with Kevan, one head-level above everyone else for the first time in his life and enjoys camaraderie unlike anything most people ever experience. Along the way they encounter the curiosity and beauty of strangers, the human family disarmed by grace, and the constant love of God so rich and beautiful in the company of good friends. *WE CARRY KEVAN* displays the profound power of friendship and self-sacrifice.

Wreck This Journal for Girls Laurel

"Not gonna lie, this is probably the coolest journal you'll ever see. . . . *Wreck This Journal* is here to inspire you." —Buzzfeed The internationally bestselling phenomenon with more than 10 million copies sold—and an excellent holiday gift! Paint, poke, create, destroy, and wreck—to create a journal as unique as you are For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, a subversive illustrated book that challenges readers to

muster up their best mistake- and mess-making abilities to fill the pages of the book—or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts—poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more—in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!

A True Story of Men Against the Sea Particular Books

Teams have become a dynamic force in the world of business--cross functional teams, quality circles, customer service teams, autonomous work groups, and even virtual, electronically linked teams. Vested with autonomy, information, and responsibility, today's teams don't just do--they decide. Although team activity often determines the success or failure of a project, a department--even an organization--research about how teams really work has not kept pace with this exponential growth, until now. Written for researchers, educators, practitioners, and serious students of the team phenomenon, *Team Effectiveness and Decision Making in Organizations* provides the latest research perspective on teams: their nature, their function, their effectiveness, their decision-making processes, and their ability to change the face of organizational life. Using a variety of methodologies, twenty-two leading researchers from the fields of management and social, industrial, and organizational psychology examine team-based projects worldwide, bringing

their expertise to bear on core issues from member selection to conflict management to measuring productivity. In eleven groundbreaking chapters, the book investigates the internal processes and external factors that affect critical decision making in teams and presents tested models and methods for improving team effectiveness in any organizational context.

400+ Recipes Big on Flavor, Short on Groceries W. W. Norton & Company

The national bestseller. Write. Burn. Repeat. Now with new covers to match whatever mood you're in. "This book has made me laugh and cry, filled me with joy, and inspired me." -TikTok user camrynbanks Instagram, WhatsApp, Snapchat, TikTok, VSCO, YouTube...the world has not only become one giant feed, but also one giant confessional. Burn After Writing allows you to spend less time scrolling and more time self-reflecting. Through incisive questions and thought experiments, this journal helps you learn new things while letting others go. Imagine instead of publicly declaring your feelings for others, you privately declared your feelings for yourself? Help your heart by turning off the comments and muting the accounts that drive you into jealousy for a few moments a night. Whether you are going through the ups and downs of growing up, or know a few young people who are, you will flourish by finding free expression--even if through a few tears! Push your limits, reflect on your past, present, and future, and create a secret book that's about you, and just for you. This is not a diary, and there is no posting required. And when you're finished, toss it, hide it, or Burn After Writing.

[The Perfect Storm](#) Pfeiffer

From the internationally bestselling creator of Wreck This Journal,

a guide to building your own perfect world. In *The Imaginary World of...*, Keri Smith asks readers to imagine something new: a unique world of their own making. Readers start by creating a list of everything to which they're drawn: things they love and collect, colors, shapes, ideas, people, and creatures that fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they'll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of...* will encourage readers to become revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

[An Adventure into Your Creative Depths](#) Harvest House Publishers

In *The Exquisite Book*, one hundred indie artists play an ingenious version of the Exquisite Corpse drawing game. Each adorns a page with artwork having seen only the page of the artist immediately prior and using a single horizon line to connect the two. Some continue the "story" quite literally while others build on the previous page in more fanciful ways. This astonishing volume's format is as unique as its content, with each of the book's ten chapters residing on a ten-page accordion pull-out, allowing readers to view the art continuously. With an illustrated foreword by Dave Eggers, and art from such luminaries as James Jean and Jill Bliss, this charming book is, simply, exquisite.

[Create This Book](#) Chronicle Books

From the internationally bestselling creator of *Wreck This Journal*... wan-der verb \ 'wän-dər\ to walk/explore/amble in an

unplanned or aimless way with a complete openness to the unknown. Several years ago when Keri Smith, bestselling author of *Wreck This Journal*, discovered cryptic handwritten notations in a worn copy of Walt Whitman's *Leaves of Grass*, her interest was piqued. Little did she know at the time that those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as The Wander Society, as well as the subject of this book. Within these pages, you'll find the results of Smith's research: A guide to the Wander Society, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You'll learn about the group's mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

Team Effectiveness and Decision Making in Organizations Perigee Trade

Something tells us you've got a busy mind, right? Yet when you try to pour all those feelings, ideas, and dreams on to paper, sometimes it's easier thought than written! A blank white page is often a pesky obstacle in the creative process. The struggle is real... If you'd love to be able to unlock your inner creative self, look no further! *WRECK THIS JOURNAL FOR GIRLS*, illustrated by Sarah Healy, allows you to embark on your own unique journey. No more dread staring at blank white pages - have a destructive and doodling, smashing and scribbling, messy fun time instead! Overcome any creative stumbling or writer's block as *WRECK THIS JOURNAL FOR GIRLS* encourages you to unleash your wild side! Create reckless art, never-ending sketches, obscure sticky

collections, even partake in a good amount of egg smashing and use the remains to make gooey masterpieces, all the while bringing to life whatever lurks in the deepest, dark corners of your imagination. Are you ready?

The Exquisite Book Penguin Books

Wreck This Journal (Red) Expanded Ed. Penguin

Wreck This Box Penguin Books

From the internationally bestselling creator of *Wreck This Journal* comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With *Everything Is Connected*, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.

Penguin

This beautiful box set contains the finest combination of three books, *Wreck This Book*, *This Is Not A Book* and *Mess*, from the best selling author Keri Smith. *Wreck This Box*. Staple the box in an interesting pattern. Make a collage on one of the panels. Paint over, glue on photographs, scraps of paper, pieces of string . . . Write a secret message to yourself inside the box. *This Is Not A Box*. This is not a box, it's a plant pot. Poke holes in the bottom, fill with dirt, and plant some seeds! This is not a box, it's a diorama. Create a miniature scene inside. This is not a box, it's a

disguise. Cut out the classes on the top panel. Make A Mess With The Box. Cover this box with gum. Leave this box out in the rain. Use this box to build a sand castle.

God is Red Particular Books

Discover hundreds of satisfying main dishes, quick-fix sandwiches, comforting soups and family-favorite desserts...all of which come together with a handful of kitchen staples! You'll even find five-ingredient side dishes, salads and breads that round out meals in a flash. These clever recipes come from savvy home cooks who know how to pump up flavor with just a few ingredients, and now we're sharing those secrets in this brand-new collection. For many family cooks, it's a challenge to set a hot and hearty meal on the table. After all, kitchen time usually competes with jobs, after-school activities, and other tasks and errands. Luckily, Taste of Home 5-Ingredient Cookbook is here to help! Inside, readers will find 400+ fast and fabulous recipes—each of which calls for five ingredients or fewer! Hit, create, break, rip, destroy, paint, kill, bury, and resurrect this book. Funny and creative gift for a loved one.

The Dream Dictionary from A to Z [Revised edition]: The Ultimate A-Z to Interpret the Secrets of Your Dreams Penguin

Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates "the infinitesimal, incomplete, imperfect, yet exquisitely human details of life," in the words of Maria Popova (*Brain Pickings*), who introduces this charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists connected by their attention to the details of their lives—including complaints, distractions, phone addictions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.
